

**SAM**

Nice going with the Angels, you got 'em back on board.

**JONAS**

Wasn't hard. We owe them so much money, they don't have a choice.

**SAM**

Jonas, are you sure about this.

**JONAS**

Watch — our biggest score yet.

**SAM**

No. I mean all of this ... It's been ten years. Two towns a week, sixty weeks a year. We're farther behind than when we started.

**JONAS**

We got more buses.

**SAM**

That keeping breaking down. We got to relaunch, Jonas. Go first class.

**JONAS**

Don't start this again.

**SAM**

Bigger houses, churches and theaters, with padded seats. Live video on big screens. We could do a pre-show, everyone loves to wave to the camera. Maybe broadcast live on cable—

**JONAS**

Cable? My face on TV? Bad idea. You know how many people are under the misapprehension that I have swindled them?

**SAM**

America is a very forgiving country, Jonas.

**JONAS**

I don't need forgiveness, I've done nothing wrong.

**SAM**

OK, easy Big Brother. Sorry I brought it up.

**JONAS**

Sam, come on ... compared to what we've been through, *this* is just a bump in the road.
